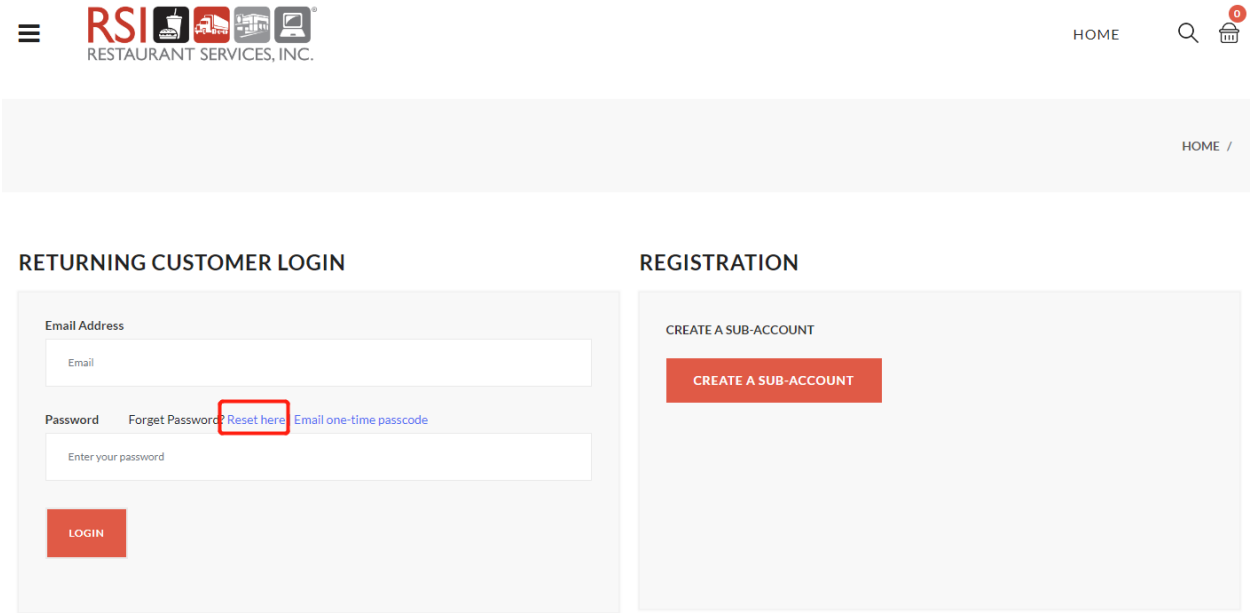
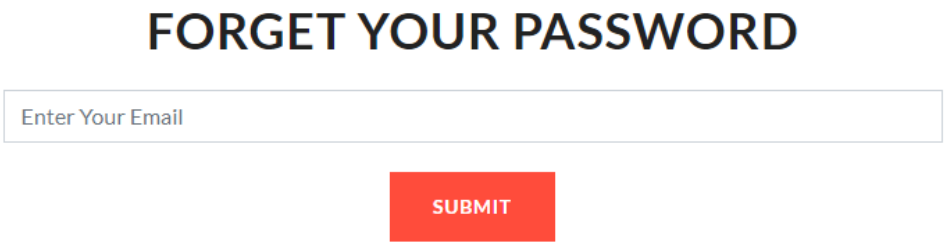
9. Sub-Account Registration (Page 18-20)

## PASSWORD RESET

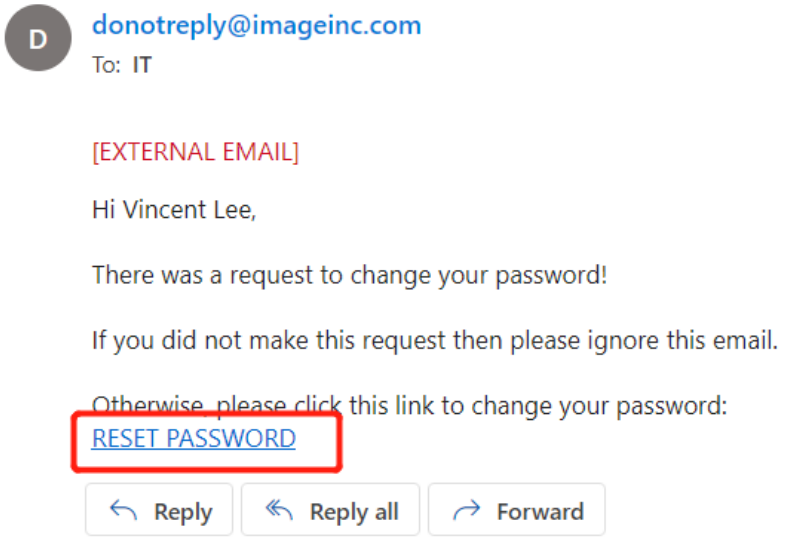
To reset password, click on the “Reset here” on the login page.



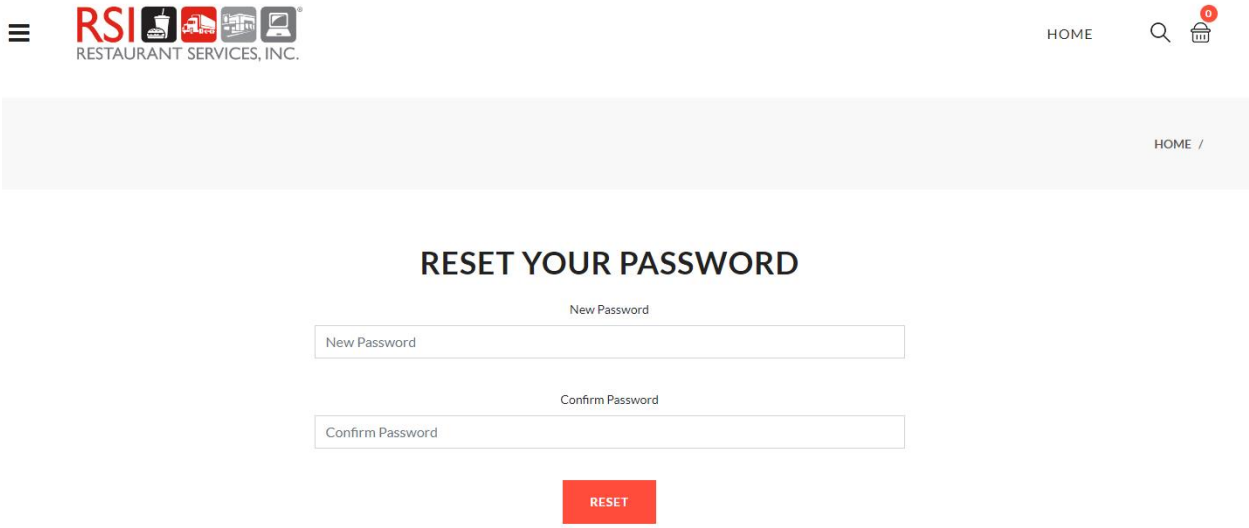
Please enter your email address and click on the “SUBMIT” button.



You will be getting an email notification for the password reset, please click on the “RESET PASSWORD” link from the email to reset your password.

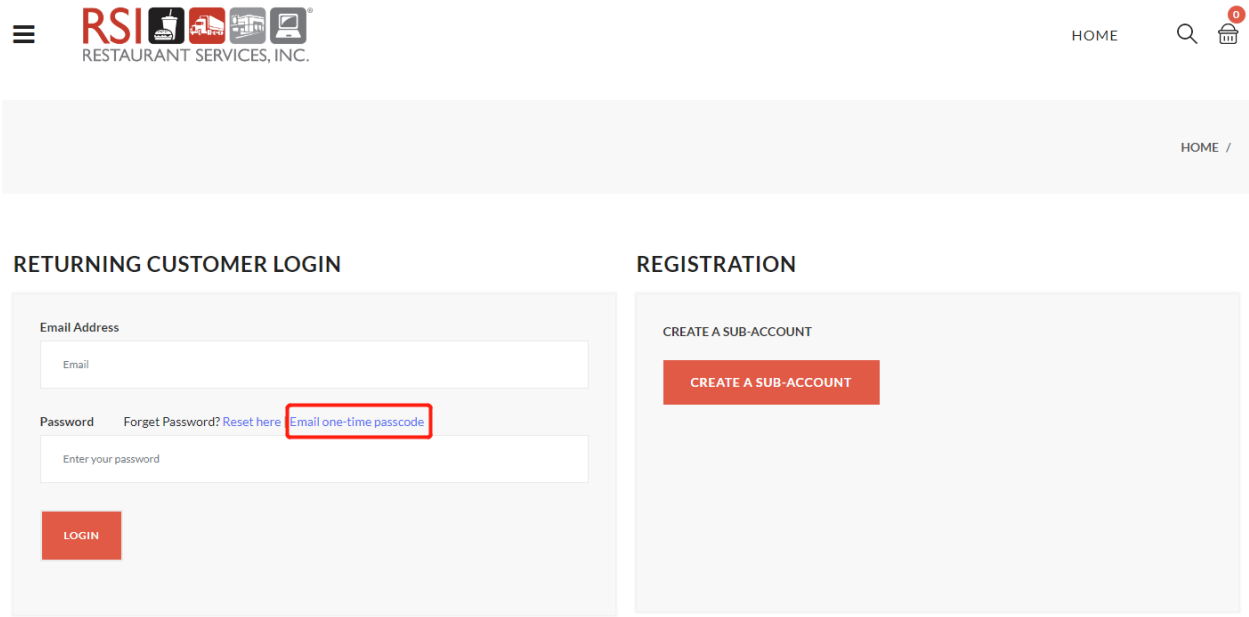


You will be prompted to enter your new password.

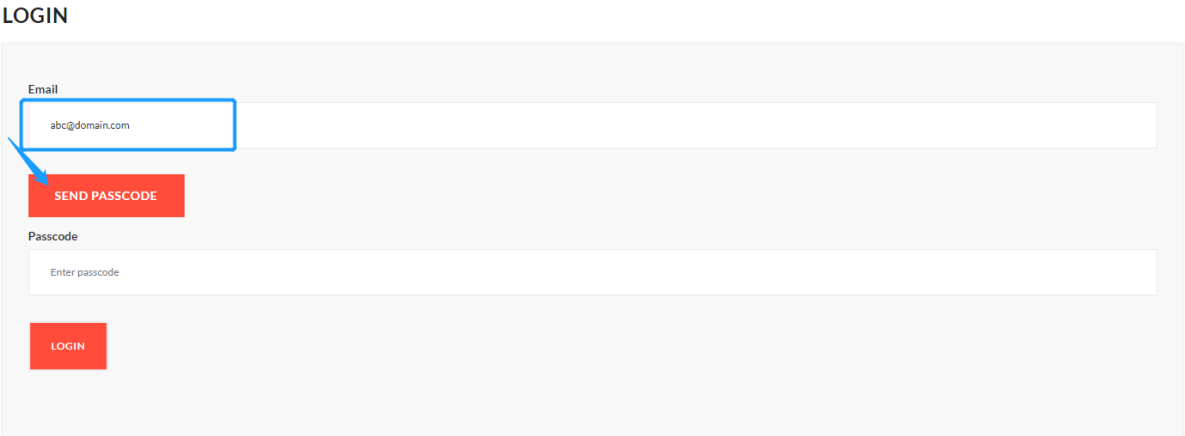


**ONE TIME LOGIN PASSCODE**

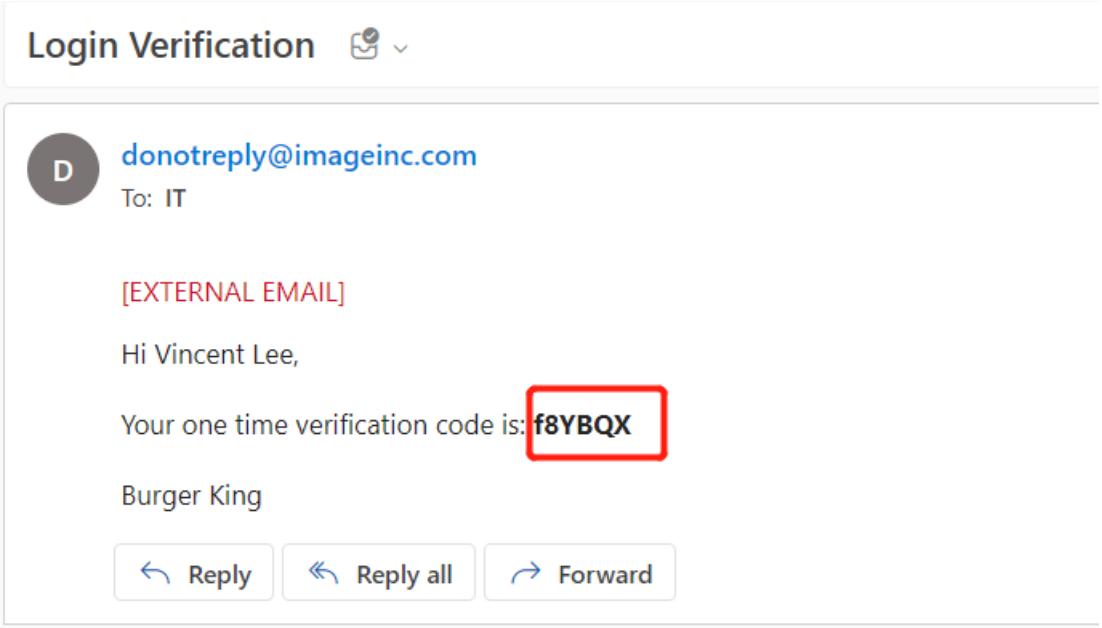
You may also request a one-time login passcode if instead of doing a password reset, this code is valid for one time use only. To request a one time login passcode, click on the “Email one-time passcode” link from the login page.



Enter your email address and click on the “SEND PASSCODE” button.

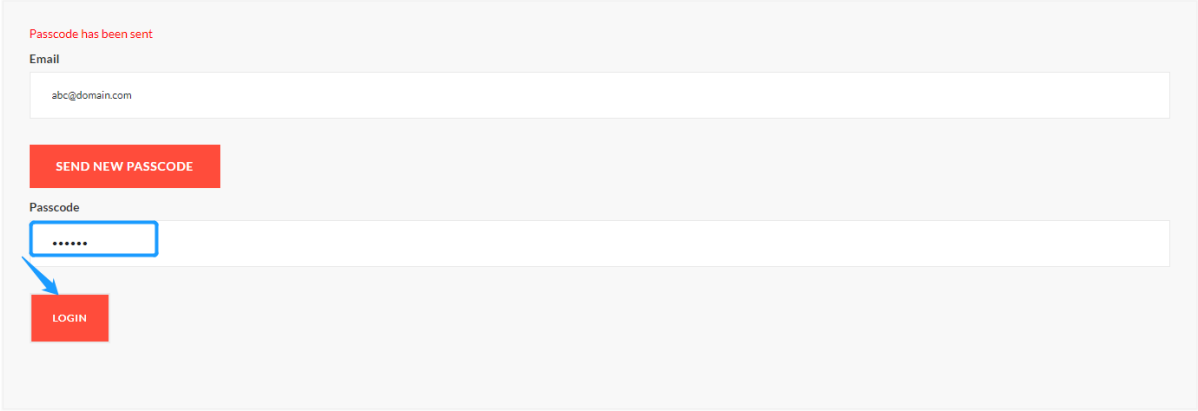


You will receive the one time passcode to your email address.



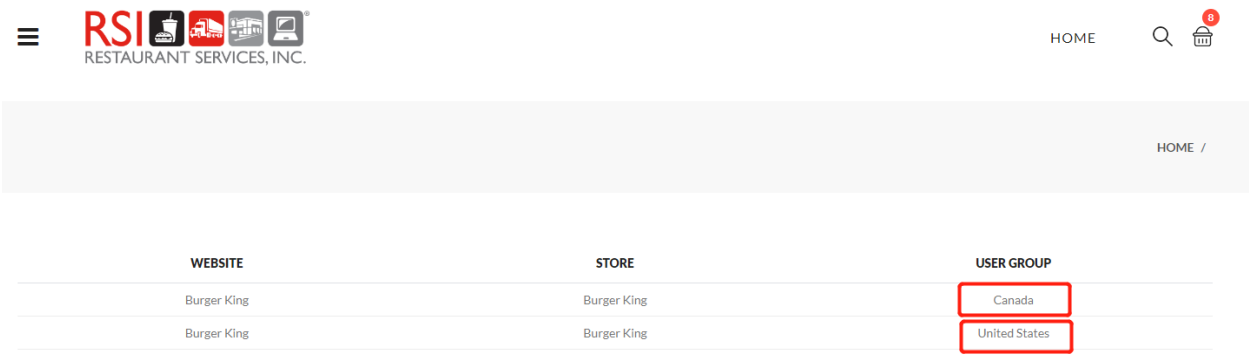
Enter the one-time passcode and click the “LOGIN” button.

LOGIN

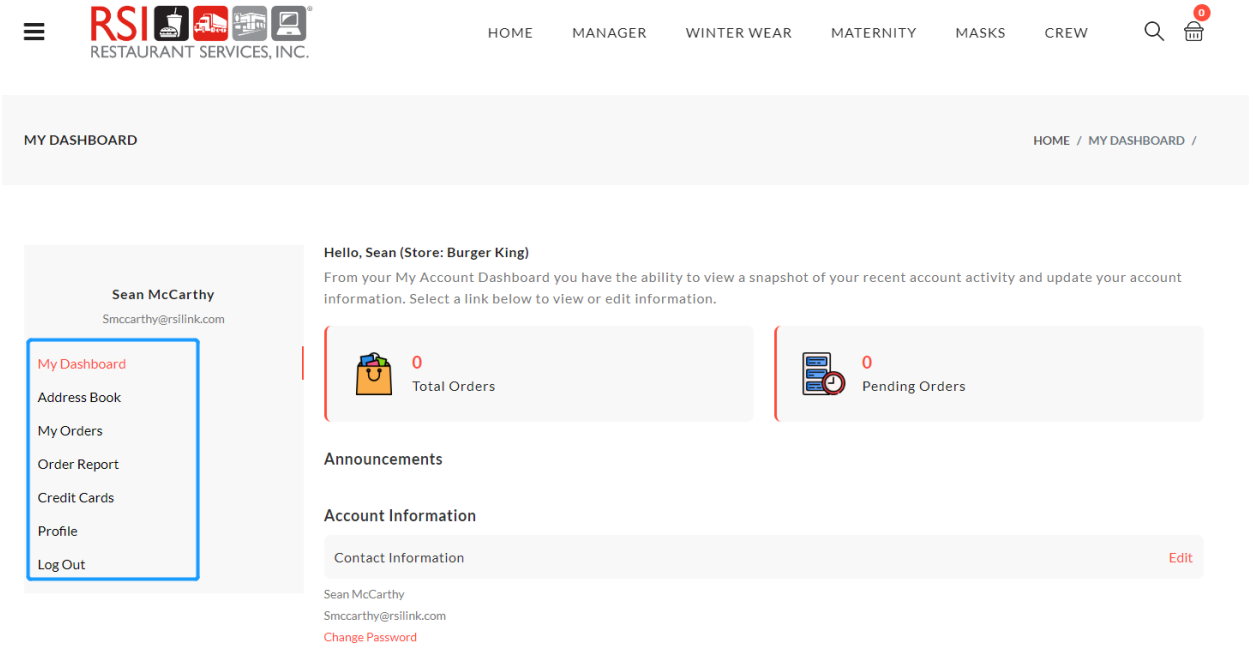


## USER DASHBOARD

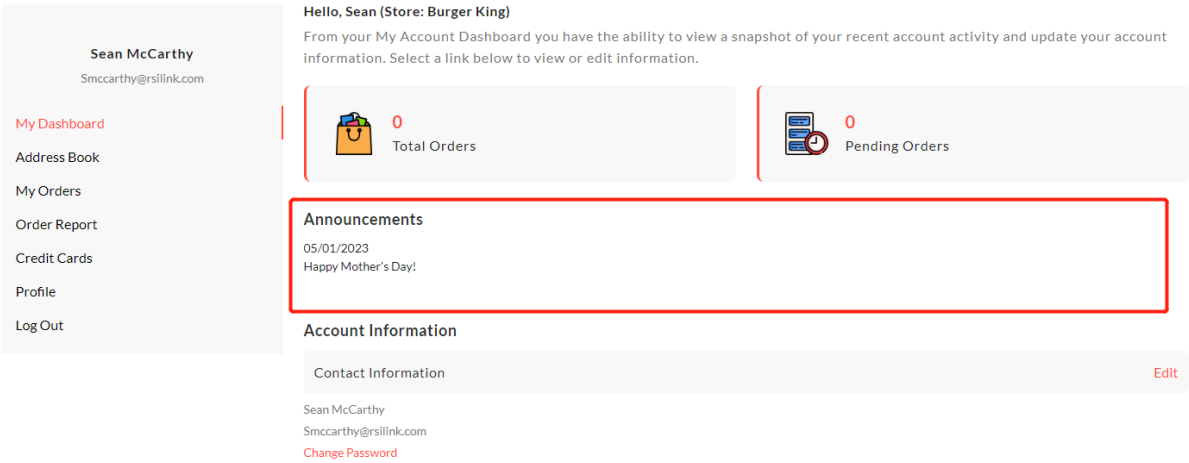
One you are login to the system, you will be redirected to the user dashboard page, however, will be prompted to select the user group if you are assigned with multiple user groups.



You will find the user navigation on the left hand side of the user dashboard.

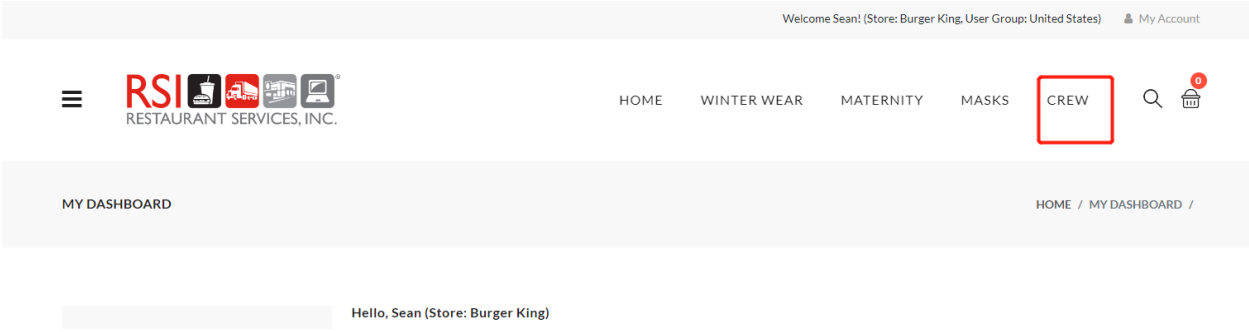


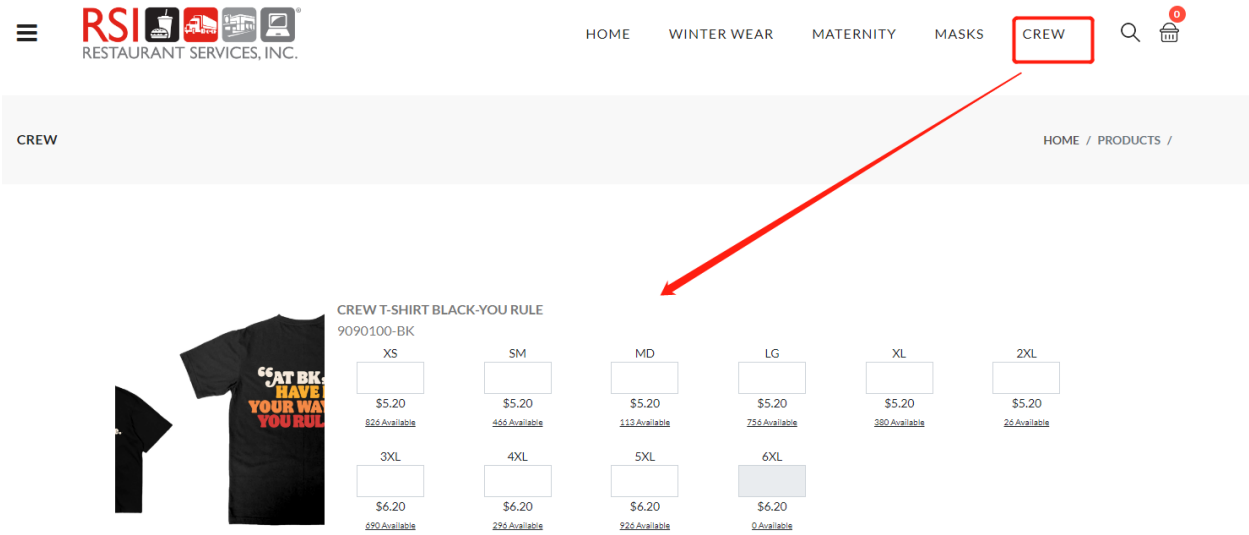
Announcements and popup notifications can also be found on the user dashboard.



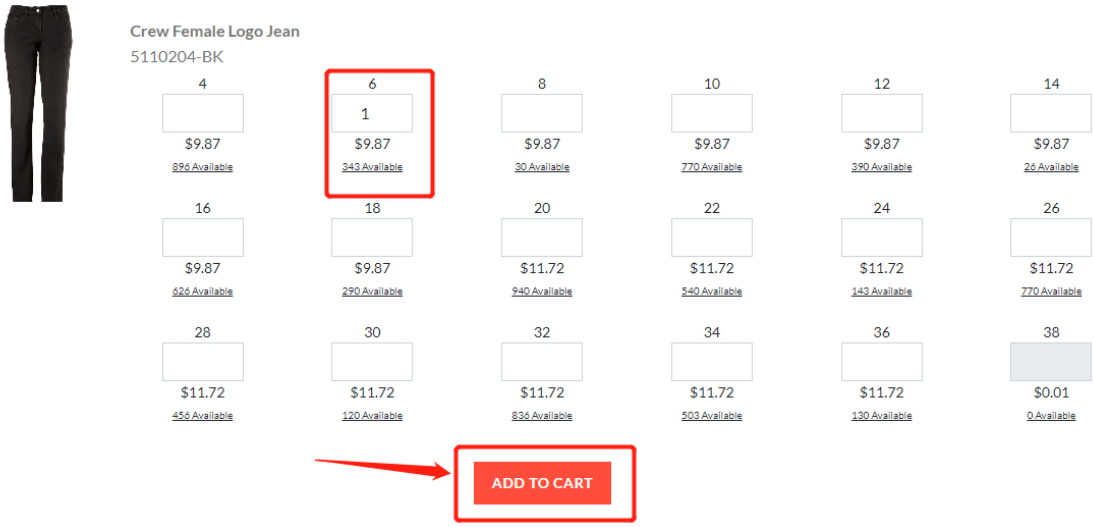
## PLACING AN ORDER

To place an order, you may find the item categories on the header navigation.

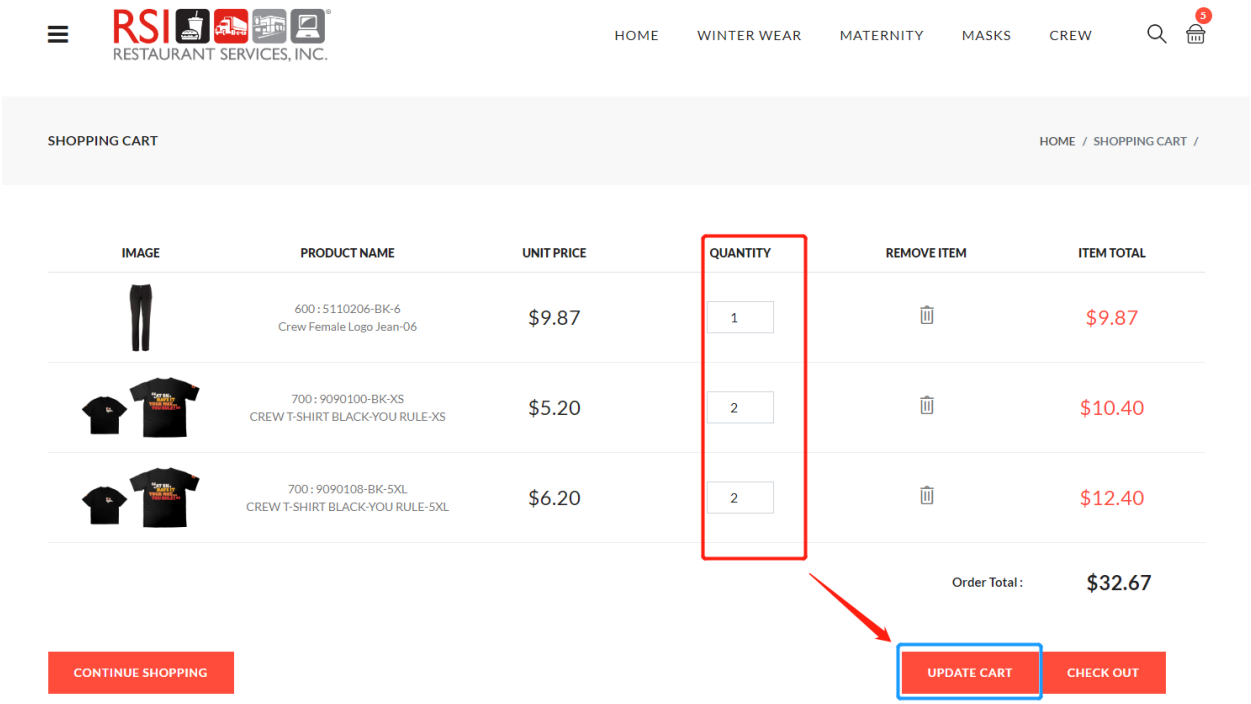




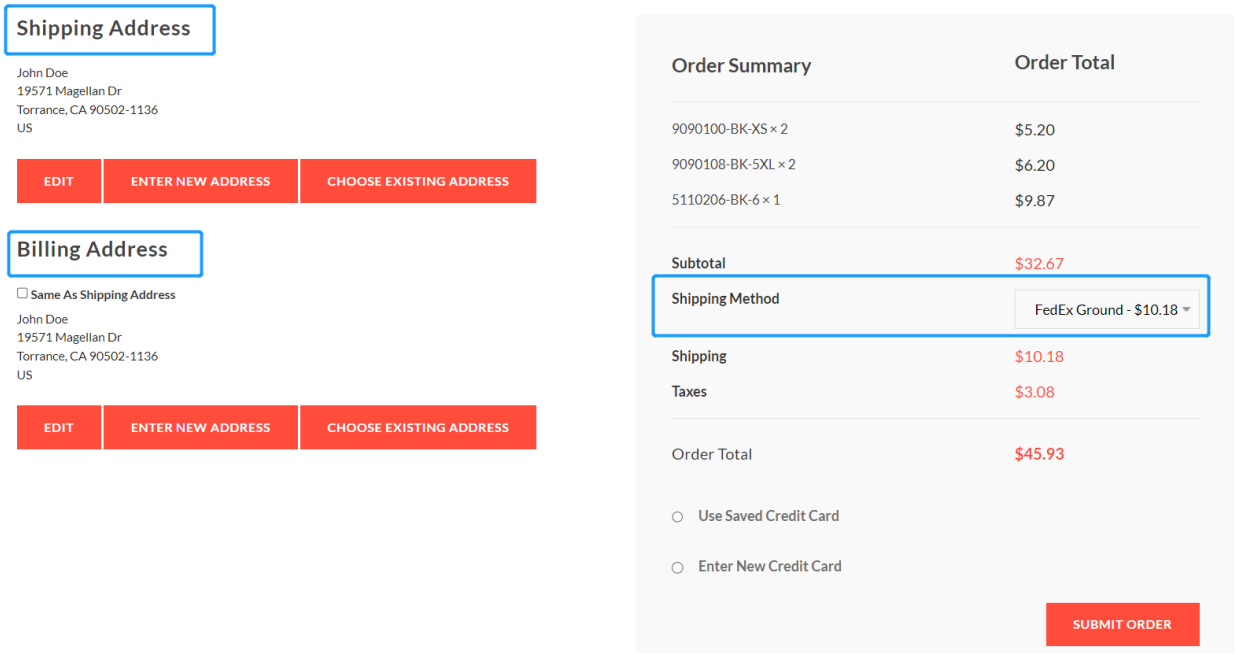
You can enter the quantities you'd like to purchase from all items and click on the "ADD TO CART" button to add items to your shopping cart.



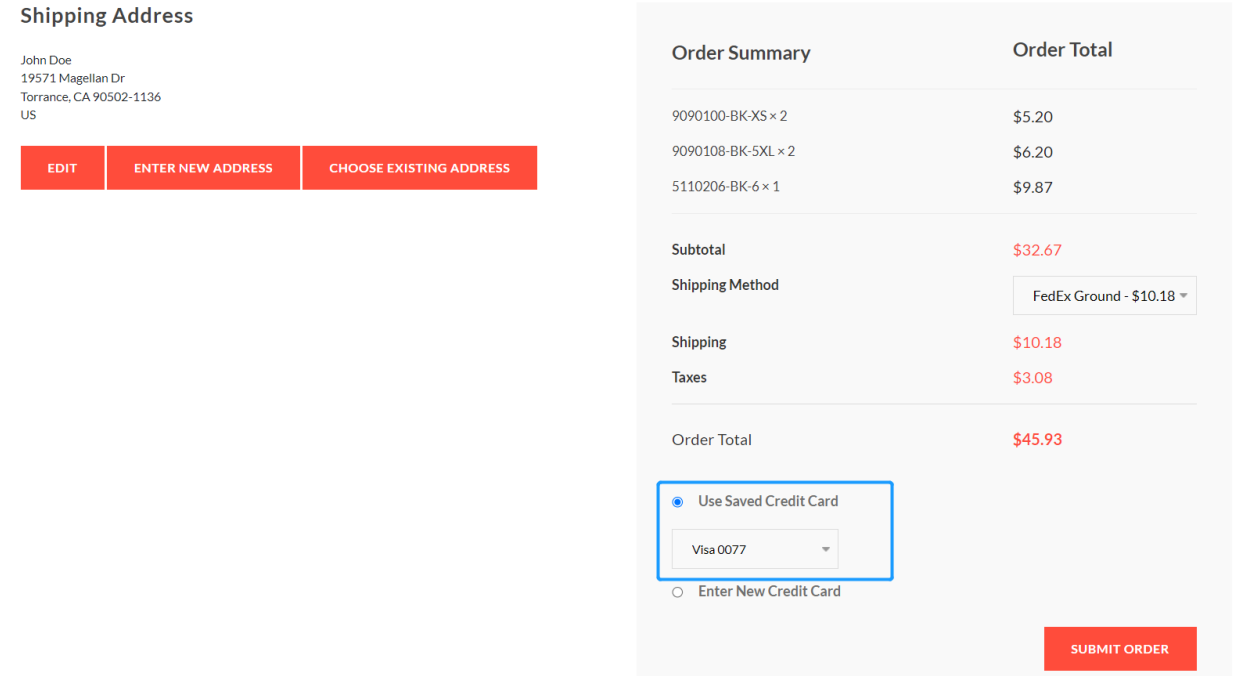
You can change the purchase quantity or remove items from the shopping cart. Please click on the “CHECKOUT” button to start the checkout process.



Please add/select the shipping and billing address and you can select the preferred shipping method from the checkout page.



You can select the saved/assigned credit card or enter a new credit card as the payment method.



If you wish to save the credit card profile, check the “SAVE this card for future transactions” checkbox before submitting the order.
