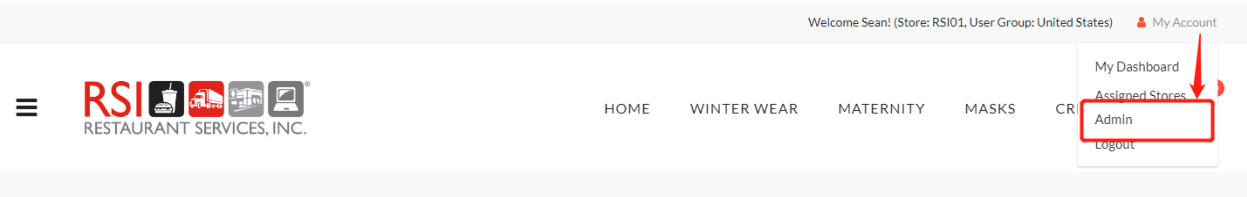
Burger King Uniform Website Administration User Guide

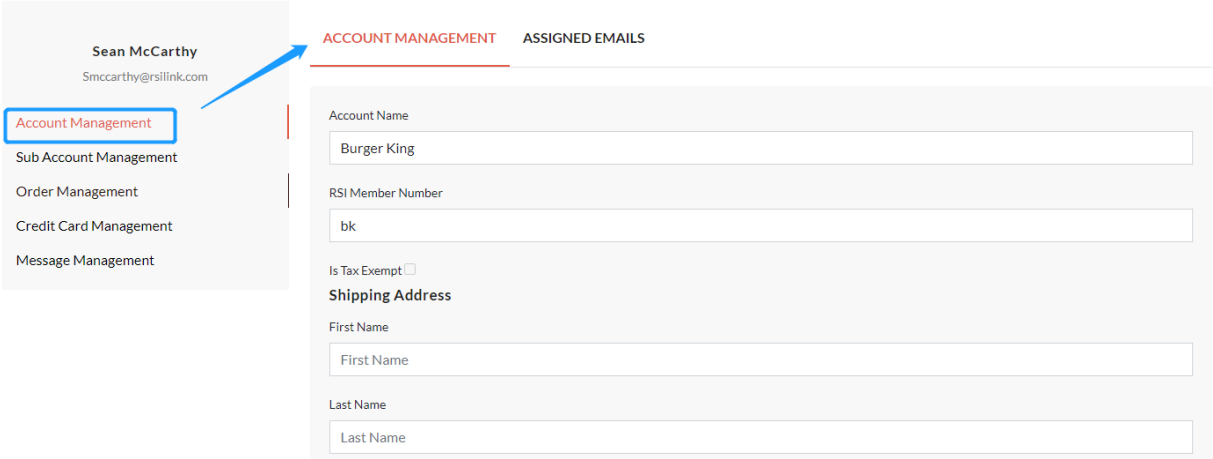
1. Account Management (Page 1-2)
2. Sub-Account Management (Page 3-4)
3. Order Management (Page 5-6)
4. Credit Card Management (Page 7-8)
5. Message Management (Page 9-10)

If you are assigned with the administrator access, you will see the “Admin” link under the My Account menu on the header, please click on the link to get to the administrator dashboard.

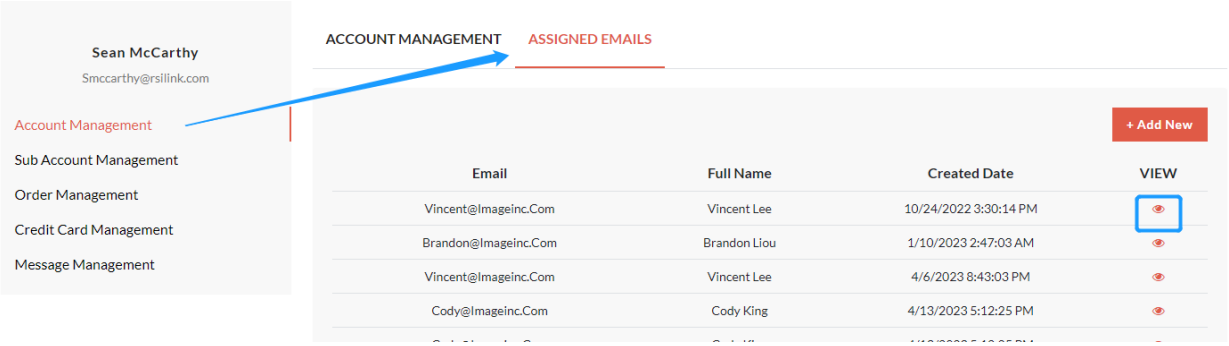


ACCOUNT MANAGEMENT

Please click on the “Account Management” from the admin dashboard navigation to view your assigned account. This is where you can manage your account information.

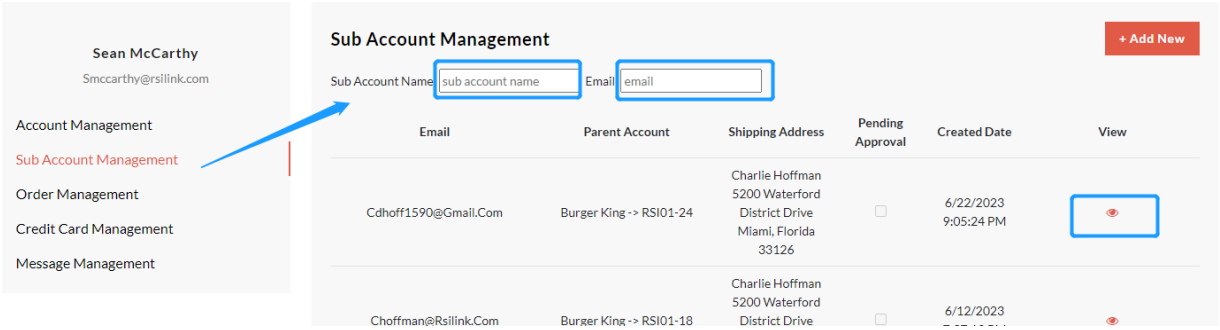


To view a list of assigned user accounts, click the “ASSIGNED EMAILS” subtab, you can also click the VIEW icon to review the detail.

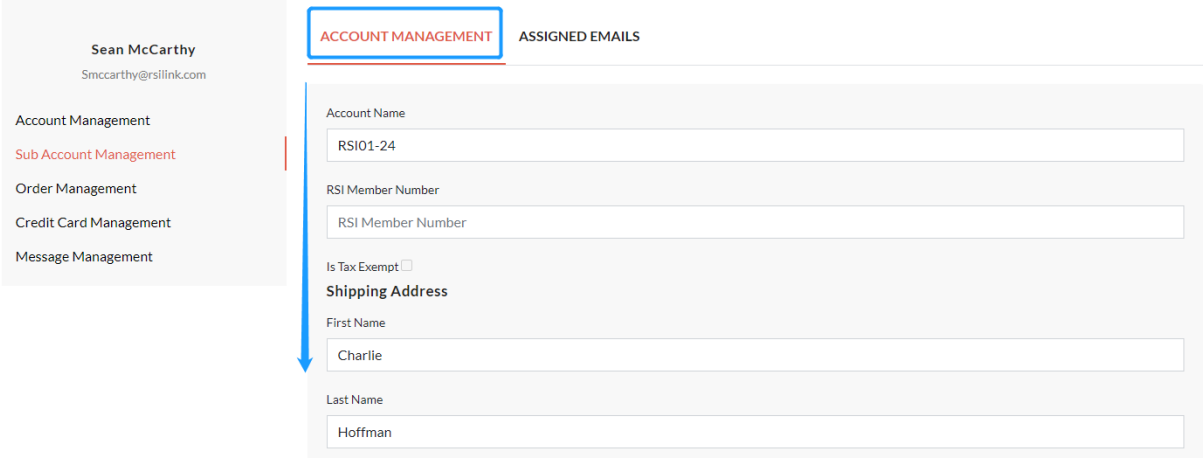


SUB-ACCOUNT MANAGEMENT

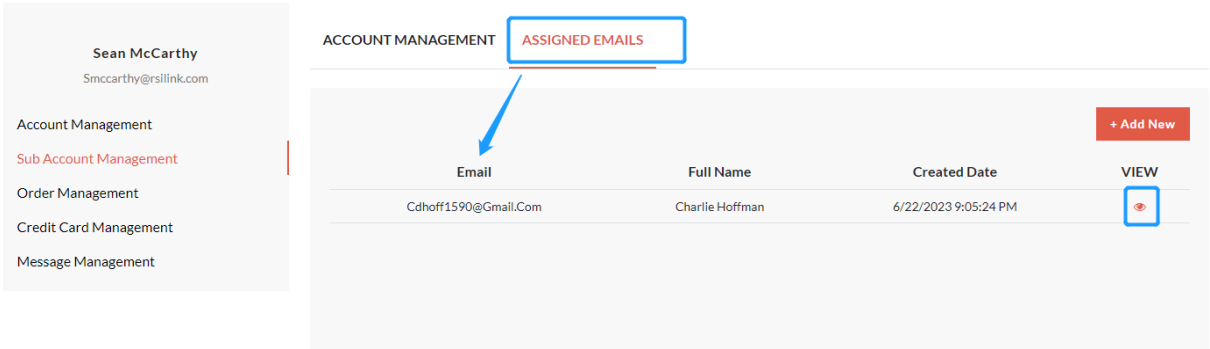
To manage sub accounts, click on the “Sub Account Management” from the admin dashboard navigation. You can filter the subaccounts by account name and/or email address. Click the VIEW icon to view the sub account information.



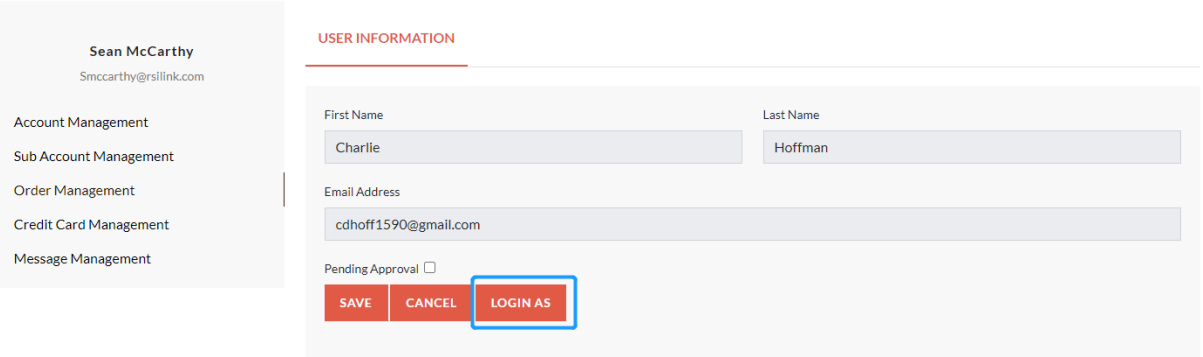
Once a sub account is selected, you can review/update the account information under the “ACCOUNT INFORMATION” subtab.



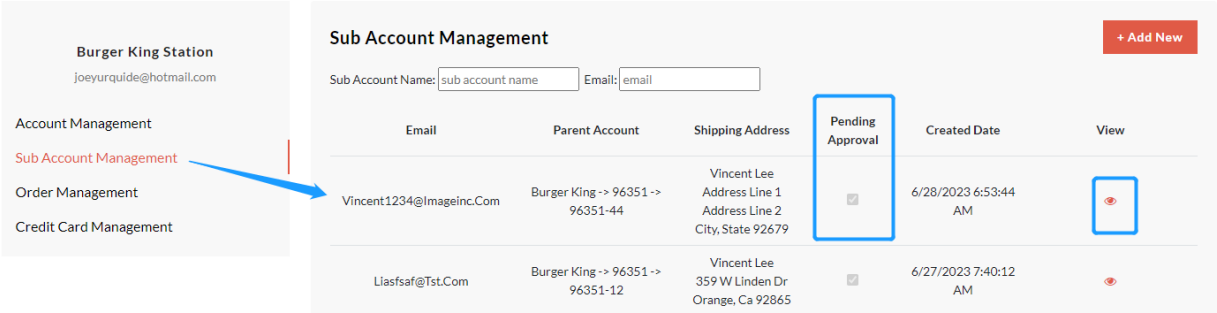
To view a list of assigned user accounts to the sub account, click the “ASSIGNED EMAILS” subtab, you can also click the VIEW icon to review the detail.



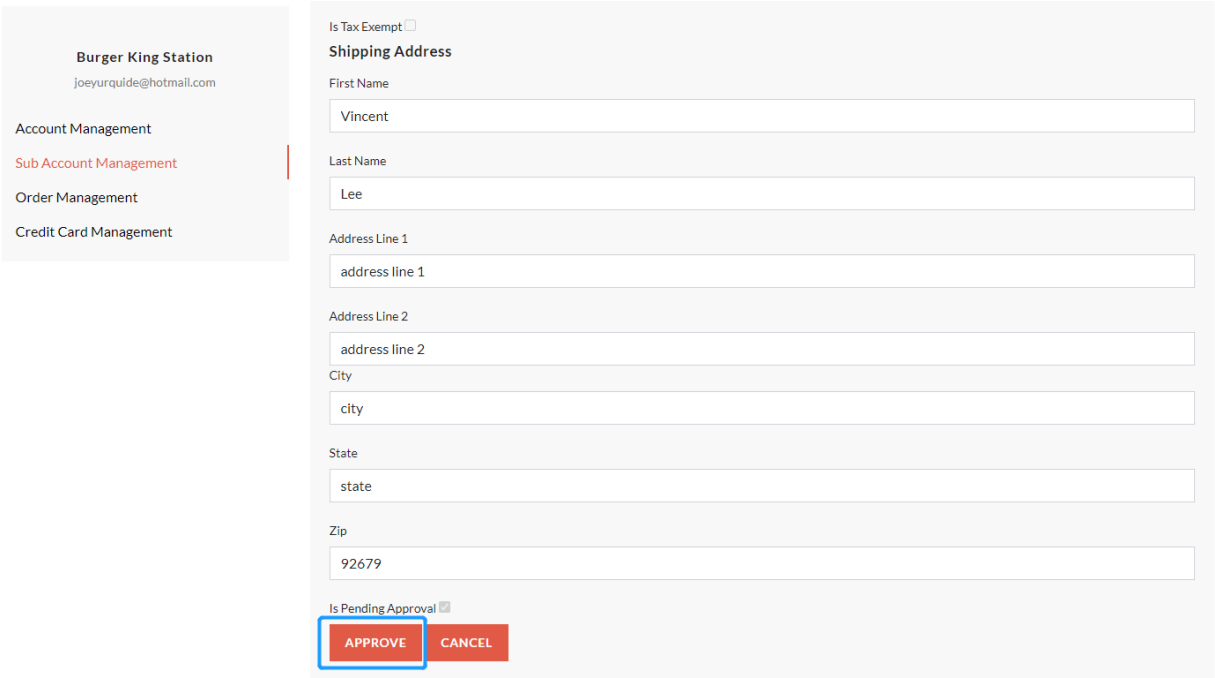
You can review/edit the user information or click on the LOGIN AS button to assume the identity.



If a sub account is in the pending approval status (via sub account registration), click the VIEW icon to navigate to the sub account detail page.

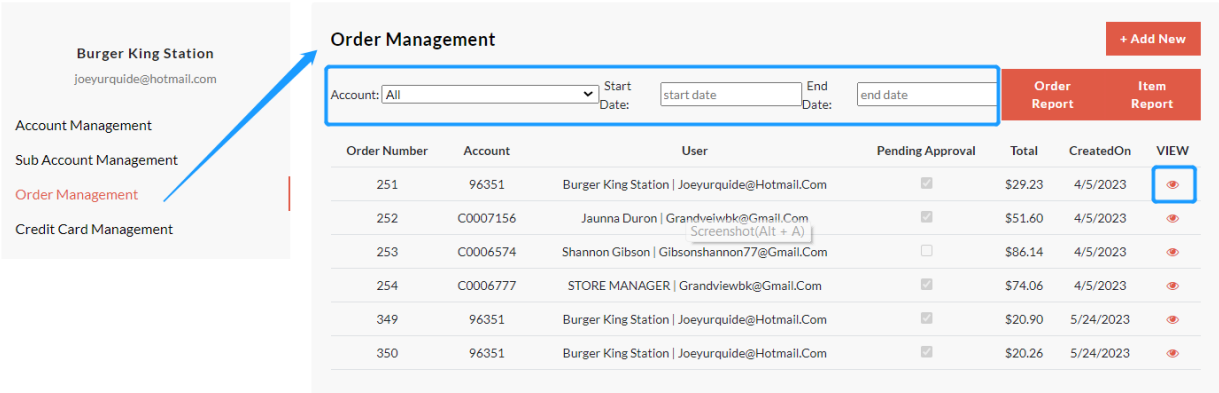


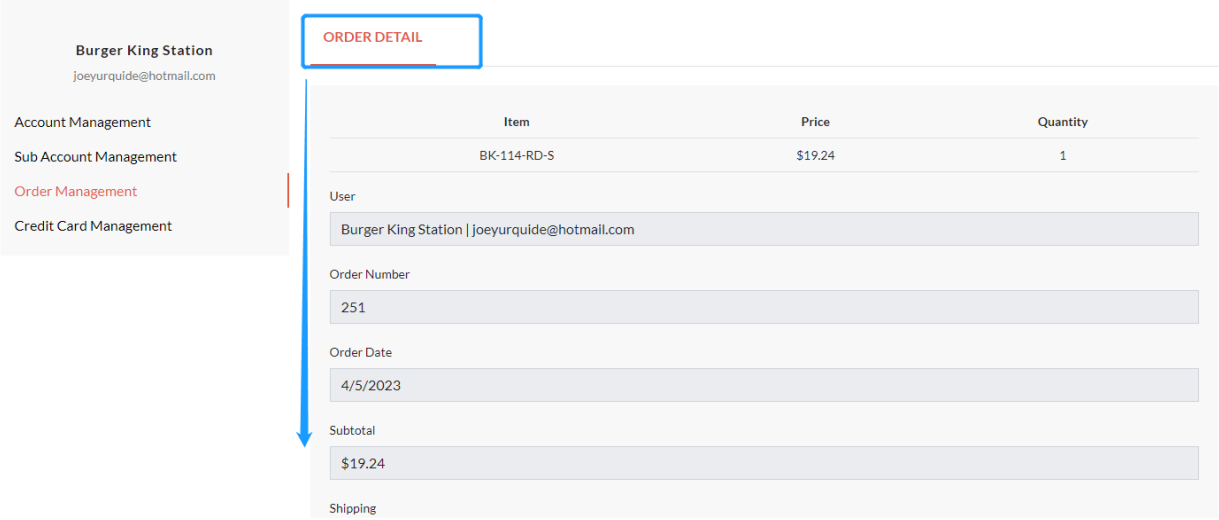
Review/update the sub account information and click the “Approve” button to approve the sub account registration.



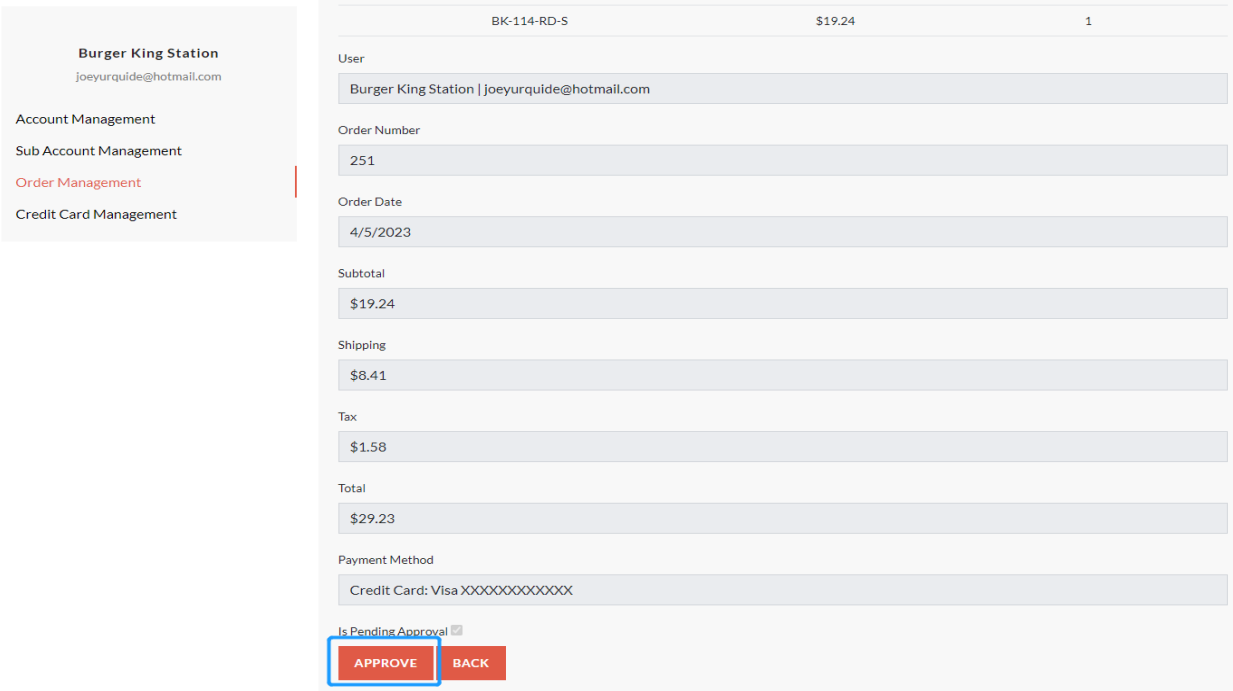
ORDER MANAGEMENT

To manage orders, click on the “Order Management” from the admin dashboard navigation. You can filter the order history by sub account and order date range. Click the VIEW icon to view the order detail.





If the account setting requires orders approval, please review the order detail and click the “APPROVE” button to approve an order.



You can download the order reports from the “Order Report” button or you can also download the sales by item report from the “Item Report” button. The system will generate the reports in the CSV file format.

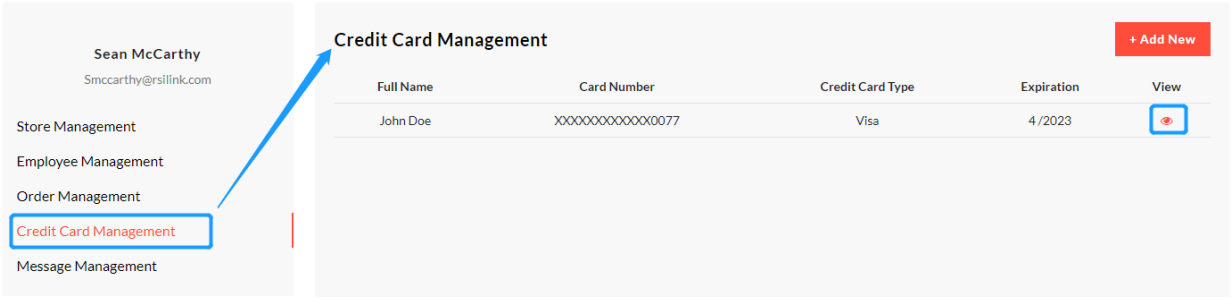
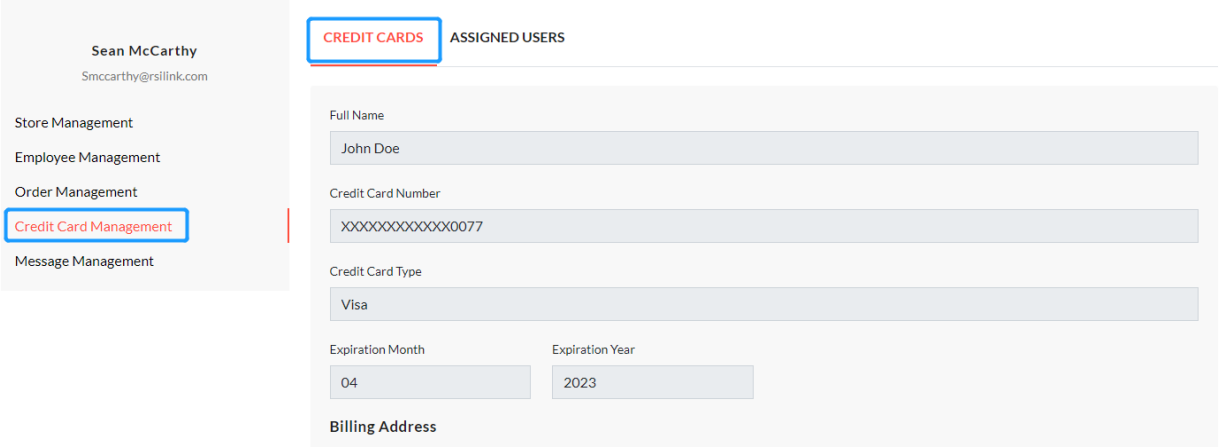
CREDIT CARD MANAGEMENT

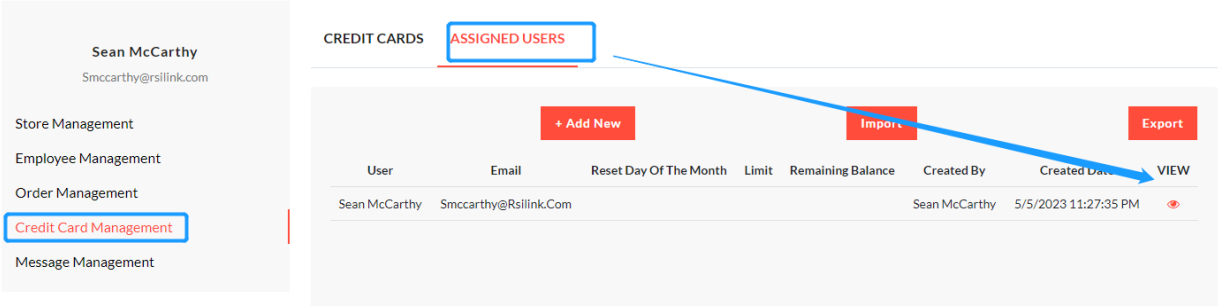
Please click on the “Credit Card Management” to add/assign credit cards. Click on the “+Add New” button or the VIEW icon to add/edit a credit card profile.



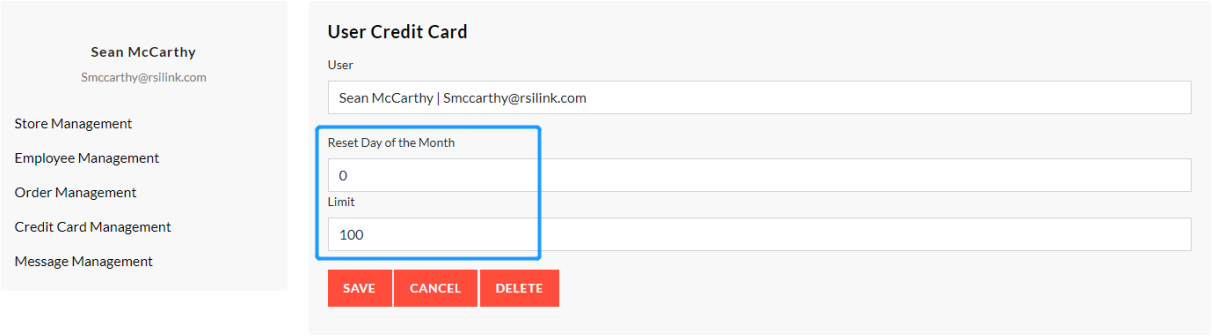
Once a credit card profile is selected, you can select from the following two subtabs (Credit Card Information, Assigned Users)



Click on the “ASSINGED Users” tab to add/remove users that are assigned to the credit card profile.

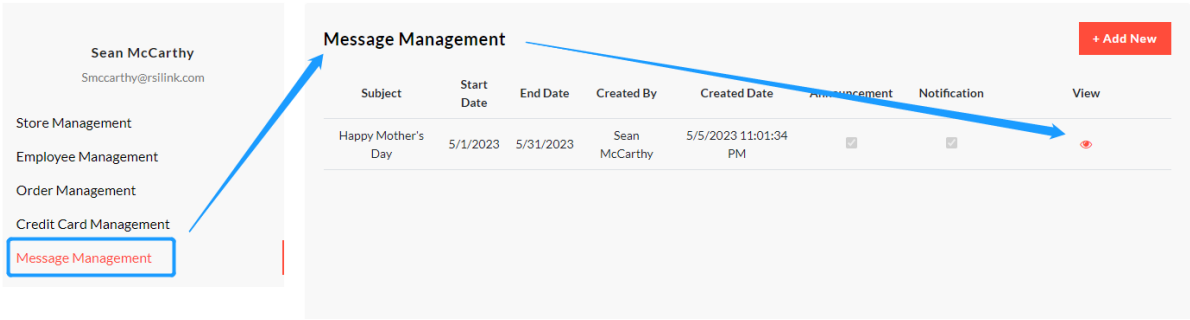


You can assign the spending limit and the date of the month that you'd like to reset the budget.



MESSAGE MANAGEMENT

To manage notifications and announcements, click on the “Message Management” link from the admin dashboard navigation. Click on the “+Add New” button or the VIEW icon to add/edit a message.



Please enter the message detail and select if it’s a type of notification (popup message) or announcement (displayed in the user dashboard)
