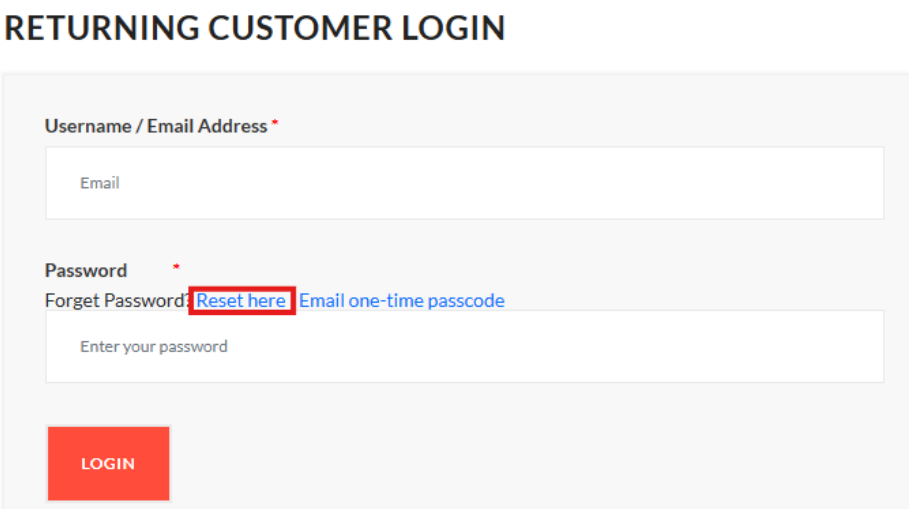
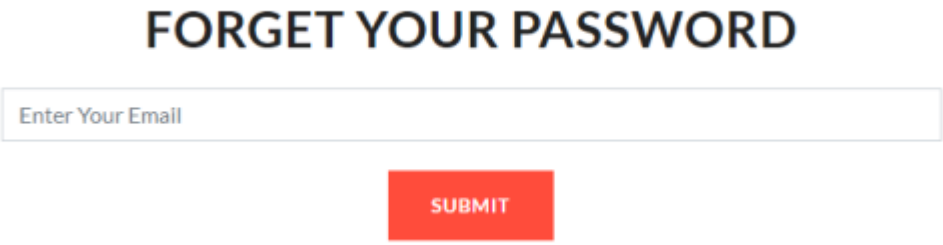
PASSWORD RESET

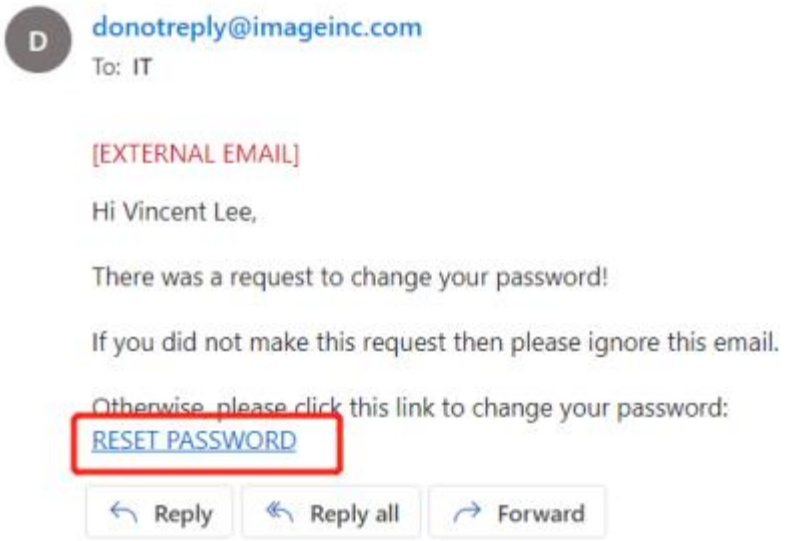
To reset password, click on the “Reset here” on the login page



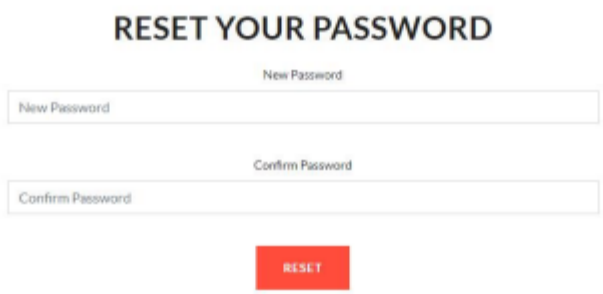
Please enter your email address and click the “SUBMIT” button.



You will be getting an email notification for the password reset, please click “RESET PASSWORD” link from the email to reset your password.

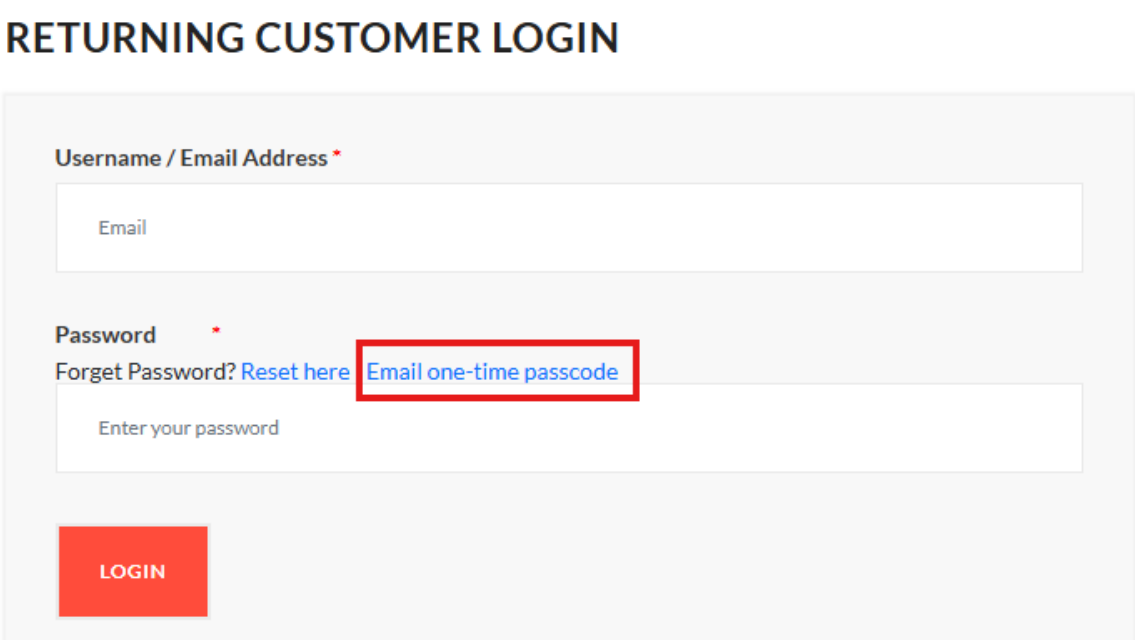


You will be prompted to enter your new password:

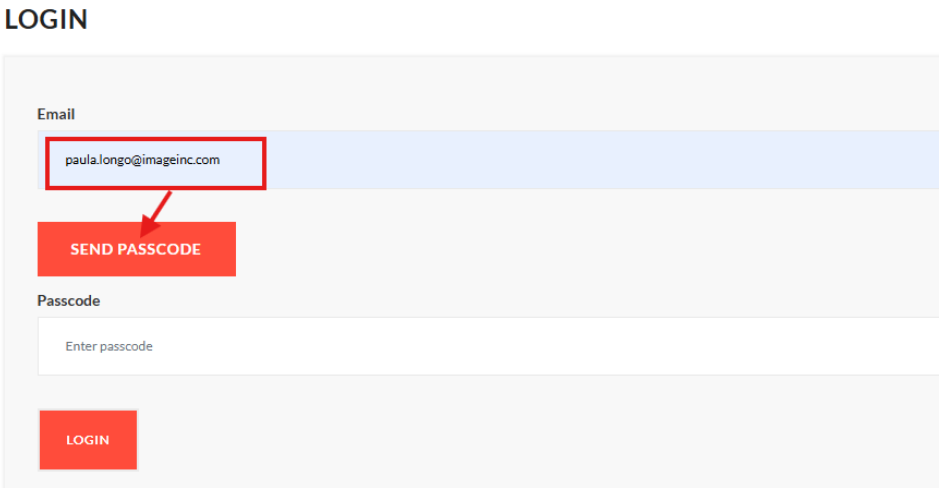


ONE TIME LOGIN PASSCODE

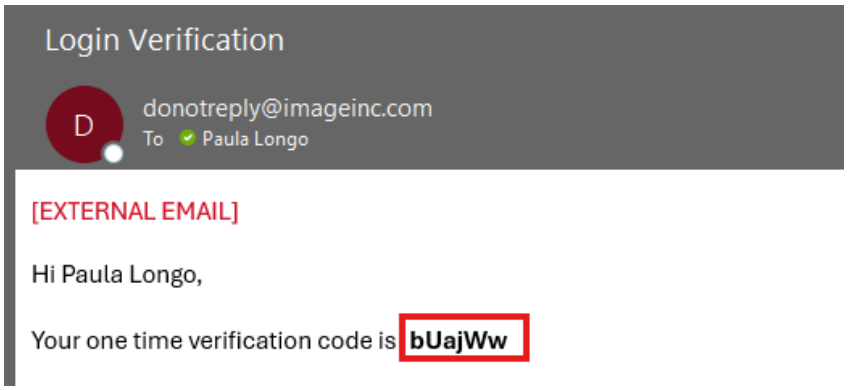
You may also request a one-time login passcode if instead of doing a password reset, this code is valid for one-time use only. To request a one-time login passcode, click on the "Email one-time passcode" link from the login page.



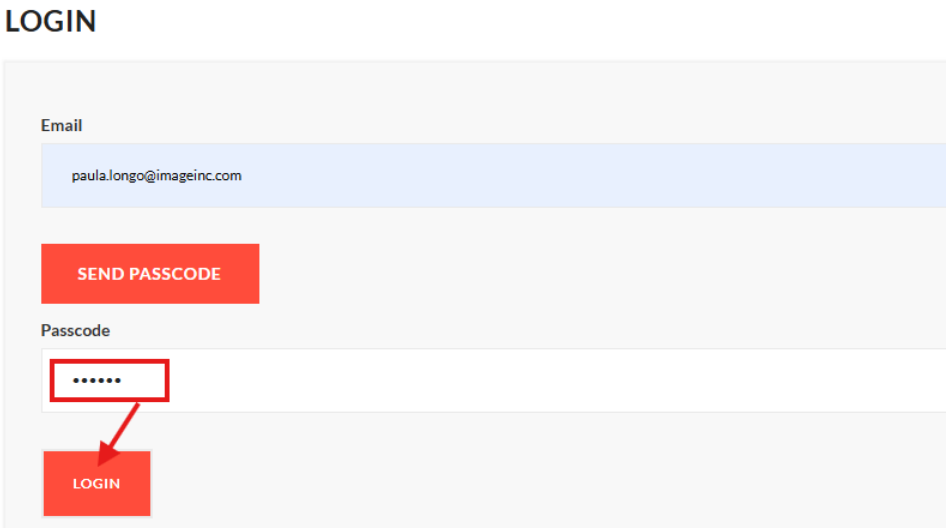
Enter your email address and click on the “SEND PASSCODE” button



You will receive the one-time passcode to your email address

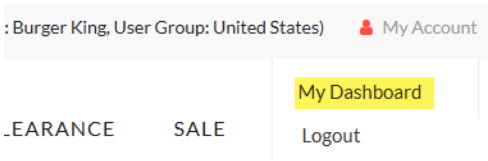


Enter the one-time passcode and click the “LOGIN” button

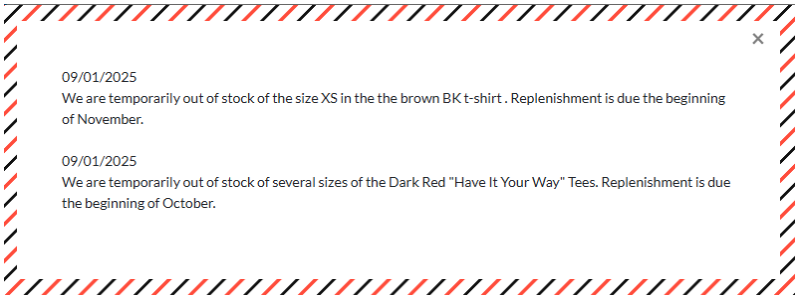


USER DASHBOARD

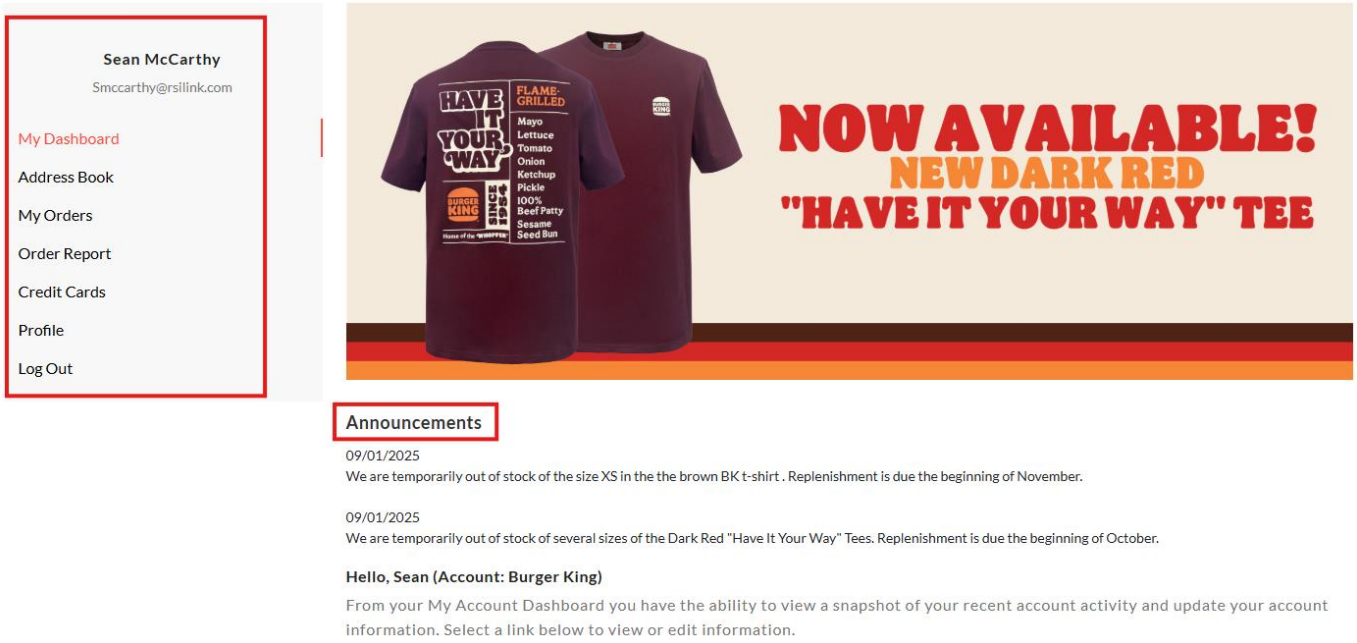
Once you are logged into the system, you will be redirected to the user dashboard page or you can go to “My Account” in the top right-hand corner to access your dashboard.



Popup notifications will appear if applicable. ***Please review these popup messages carefully as they include important information on inventory and operations***

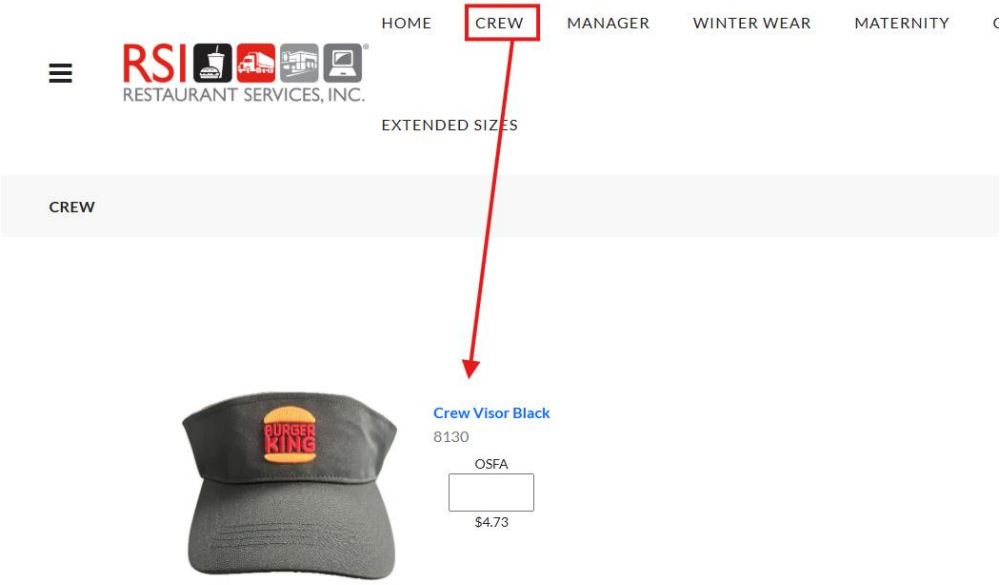


You will find the user navigation on the left-hand side of the dashboard. Announcements can also be found on the user dashboard.

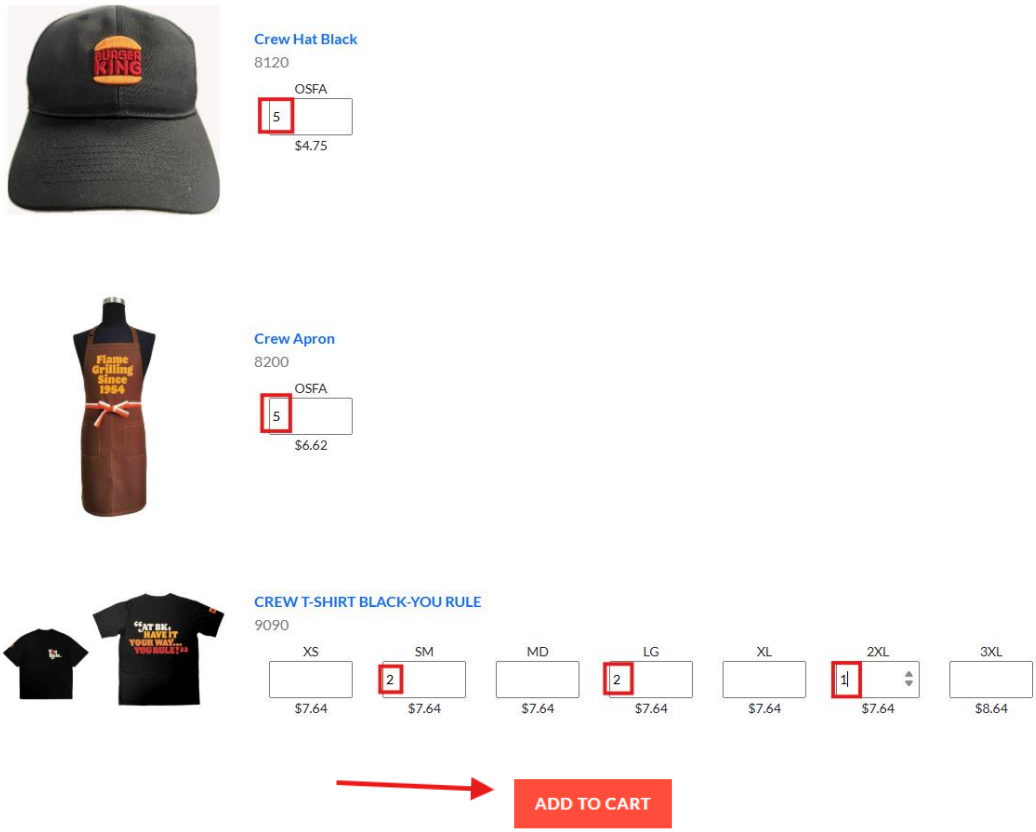


PLACING AN ORDER

To place an order, choose the category you want on the navigation header and then you will be taken to all items under that category:

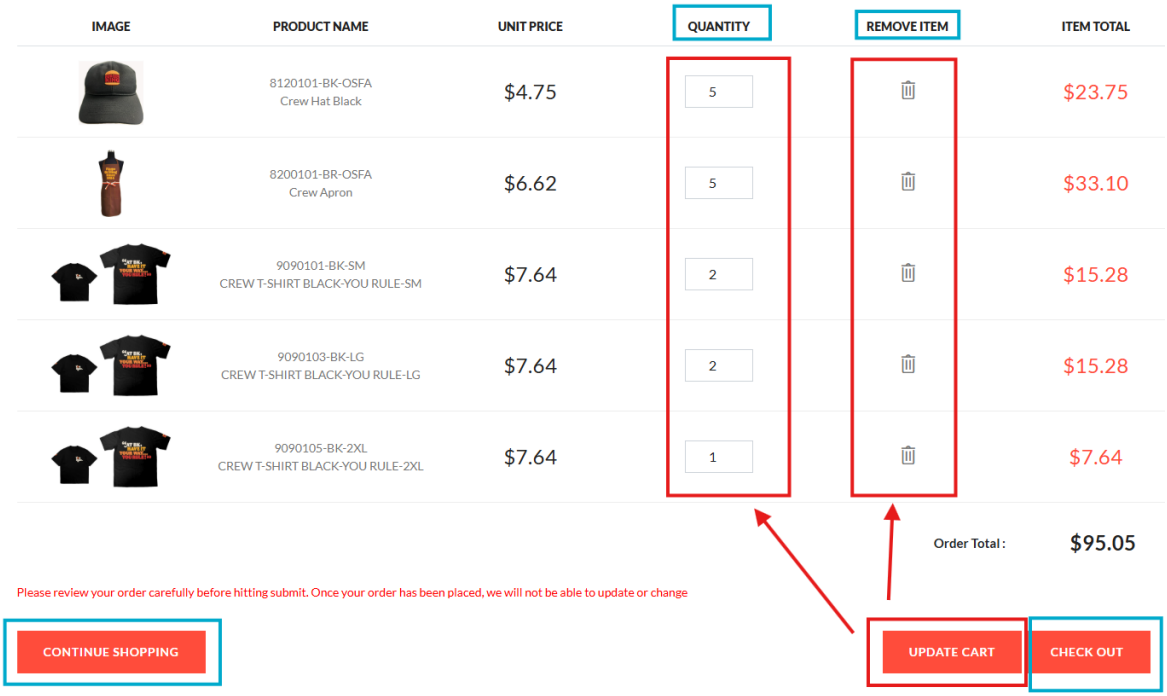


You can enter the quantities you'd like to purchase from all items and click on the "ADD TO CART" button (at the bottom of the page) to add items to your shopping cart.

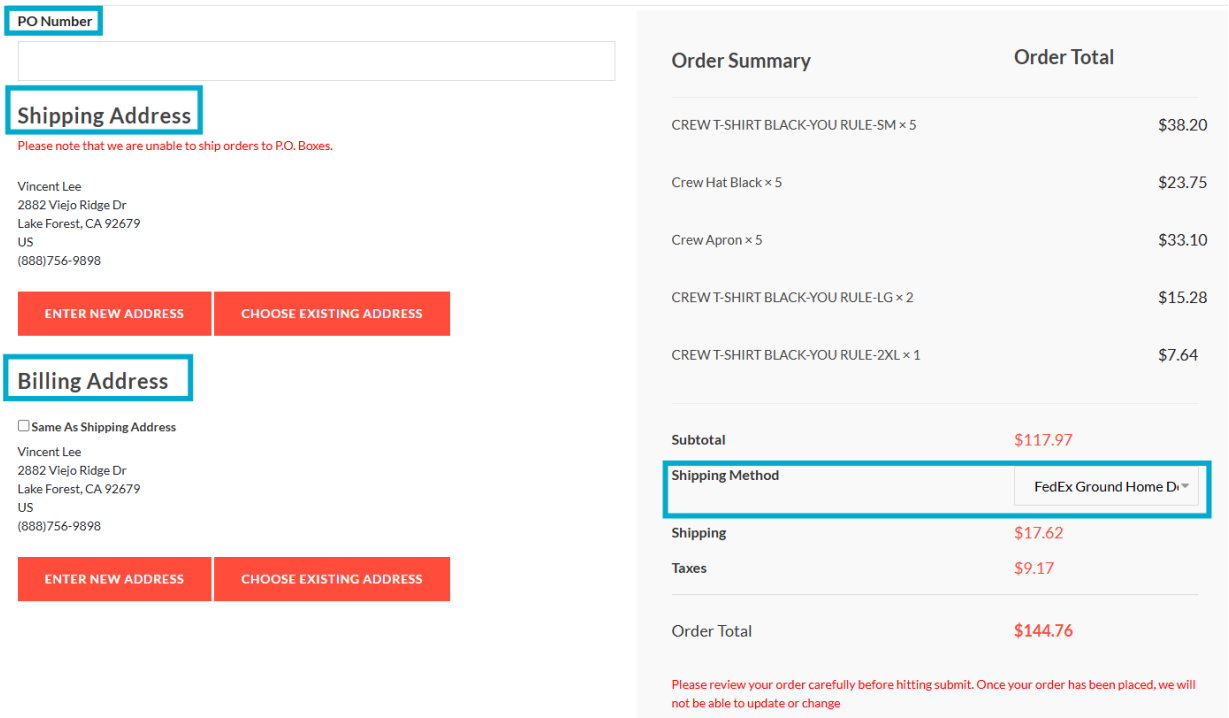


You can change the quantity of any item or remove items from your shopping cart. After making your changes, click “UPDATE CART” to save them. To add new items, click “CONTINUE SHOPPING” or select a new category from the top menu to browse more products.

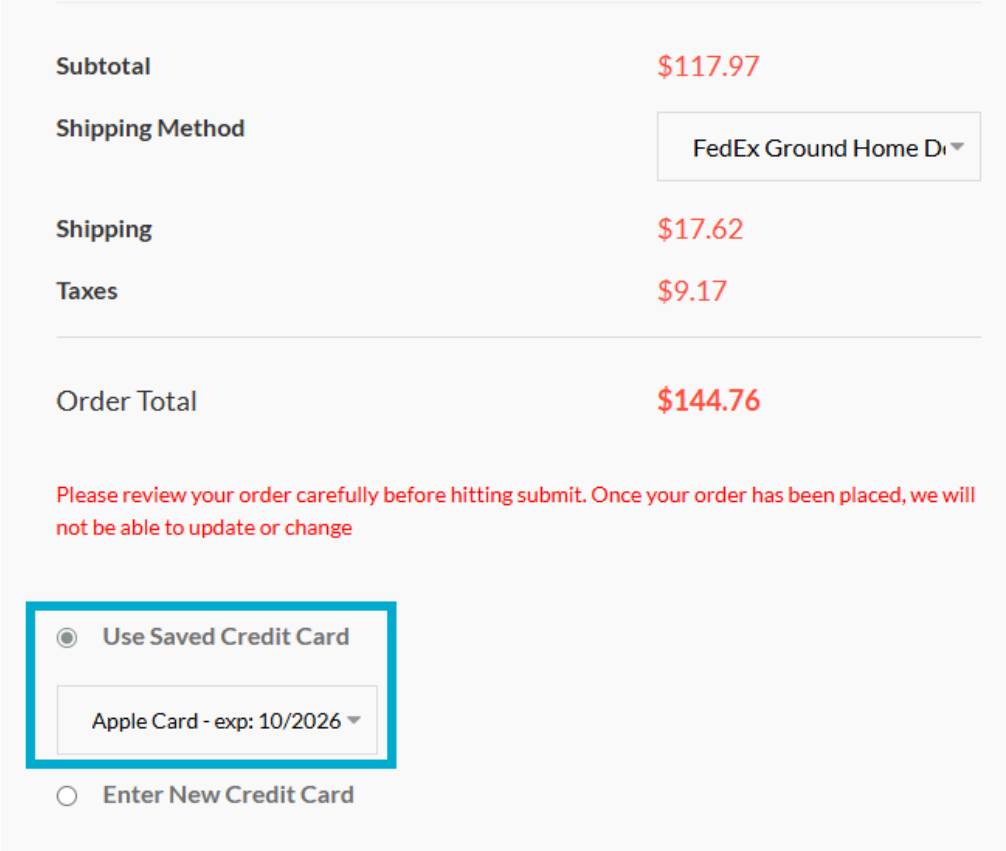
When you’re ready to complete your purchase, click “CHECKOUT” to begin the checkout process.



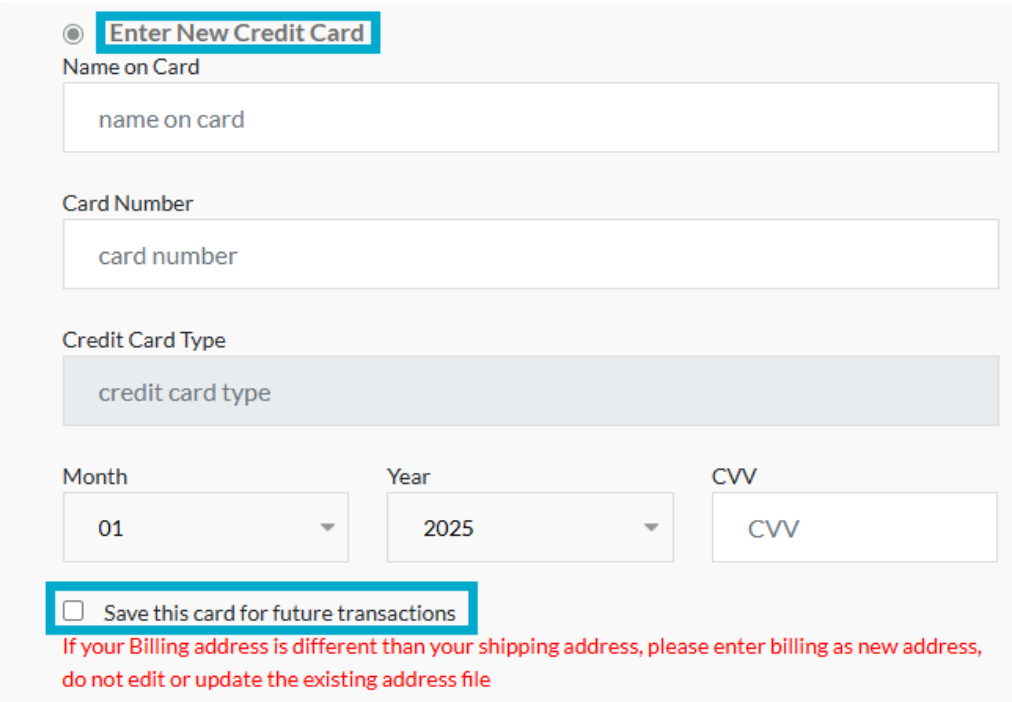
On the Checkout page, please add or select your shipping and billing addresses. ***Note: Your default shipping address will appear automatically so please review it carefully before submitting your order***. If applicable, enter your Purchase Order (PO) number. You can also select the preferred shipping method from FedEx Ground Home Delivery, FedEx 2-day or FedEx Standard Overnight.



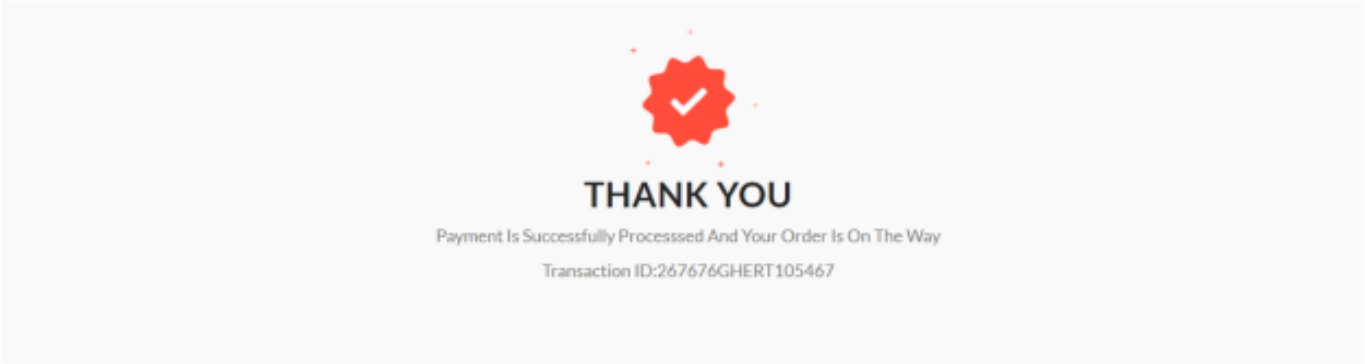
You can select the saved/assigned credit card as your payment method. Once a saved card is chosen, the billing address fields will disappear since the billing information is already set up for that card.

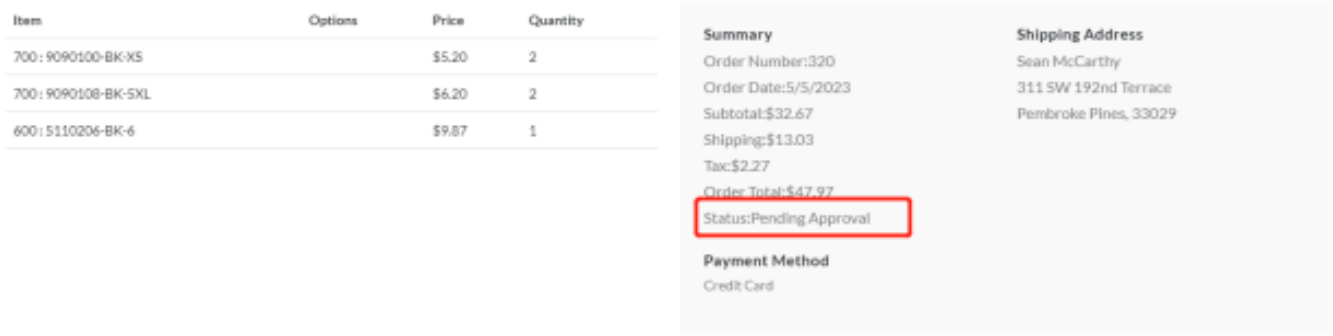


OR you can enter a new card and verify/update the new card's billing address. If you wish to save the new credit card profile, check the "SAVE this card for future transactions" checkbox before submitting the order.



You will be redirected to the order confirmation page once the order has been placed successfully.





Item	Options	Price	Quantity
700 : 9090100-BK-XS		$5.20	2
700 : 9090108-BK-5XL		$6.20	2
600 : 5110206-BK-6		$9.87	1

NEW BACKORDER PROCESS

If an item shows no available quantities, it means we are temporarily out of stock for that item or size.

- The replenishment date for these out of stock items will be listed in the pop up message when you log onto the site as well as in the Announcements section of your user dashboard.
- You can still place your order and these items will be treated as backordered.
    - Your payment will include the full order total (including backordered items) at the time of purchase.
    - Shipping (freight) charges are calculated based on your original order.
    - No additional shipping charges will apply when backordered items are sent.
