Best Practices and Other Tips:

1. This program is designed to accommodate corporate and branch office needs for Securitas promotional apparel.
2. This program is **NOT** designed for uniform purchasing.
3. When placing your order plan accordingly, apparel is made to order and will take a maximum of 15 business days to receive.
4. Items cannot be returned unless the product is damaged and/or incorrectly embellished by the vendor.
5. All submitted orders over $250 will be sent to your AVP for approval before processing.
6. Procurement will reach out for all orders over $1000.
